Hey, it stopped raining!

What a crazy summer we have had. Piers in, piers out, piers in, do the hokey pokey and you turn yourself around, that's what it's all about! That's certainly what it felt like anyway. At least the weather started to cooperate in time for us to host the ACBS quarterly meeting. Thanks to all who put forth the extra effort to make the weekend come off without a hitch. Special thanks to Ken and Gerda Bourgeois for putting together a great Milwaukee River tour, and to Wil and Mary Vidal who literally went through hell and high water to host a great evening bar-b-que at their home on Pewaukee Lake! Even though we are 2/3rds of the way through the busy summer months, we still have some great events ahead. The Pewaukee Boat Show, Madison Boat Show, and Geneva Lake Boat Show are all great events to look forward to, as well as our fall color cruise and banquet. Because of the unfortunate weather that we have been experiencing, registrants for the boat shows have been slow in stepping forward. Please check the schedule inside, and send in your registration forms. We need a lot of participants to make these shows a success. Details about the fall color cruise and banquet will be in the next issue, but be sure to save the date, October 5th! Below is a thank you note that I wanted to share with you. I received it from Gail Turner, our ACBS Vice President, and it is addressed to our chapter. Hope to see you all on the water soon, happy boating!

Sincerely,

John Baumann,
Commodore
Glacier Lakes Chapter, ACBS

Dear Members of the ACBS Glacier Lakes Chapter,

What a wonderful weekend you co-hosted for the ACBS Board of Directors summer meeting!

It is always such a treat to meet so many chapter members, and enjoy time on the water as well. Each event of the weekend was so interesting, and certainly enjoyed by all.

Thank you for having us in your area, and for your commitment to the goals of ACBS. We look forward to seeing you at future boating events.

*Regards,
Gail Turner
Vice President, ACBS*

MILWAUKEE ACBS QUARTERLY MEETING WRAP-UP

Putting in boats at McKinley Marina

Cruising the Milwaukee River system

The ACBS Quarterly meeting in Milwaukee is now history. ACBSers involved in any one or all of the venues numbered from 67 to 89 people. A lot of Blackhawk and Glacier Lakes members contributed their efforts in making this an event to remember. First, I'd liked to thank two people from ACBS. **Gail Turner**, ACBS Vice-President, handled all the details of finalizing the various events including contracts. **Gail** was incredible in working on logistics and balancing out time lines between the different venues. She kept tabs on all the budgeting elements so as to minimize any costs to the two sponsoring chapters. A special thank you is due to **Kathy Snyder** of ACBS headquarters. She handled all the registrations, built and maintained the spread sheet which made the process manageable. On the planning side, a special thank you to **George Plamondon** and **Ted Cartner** of the Blackhawk Chapter for partnering with Glacier Lakes in pre-planning and financing. Other early planners were **John Baumann** and **Ken Bourgeois**.

Even though the official meeting weekend schedule didn't begin until Thursday evening, June 26th, **Ken and Gerda Bourgeois** put together a spectacular Milwaukee/Menomonee River inner harbor cruise for those arriving early on Thursday. There were eight boats that launched at McKinley Marina, with 65 people participating in the cruise. **Ken and Gerda** started planning this memorable trip by visiting restaurants in late February and checking out marinas that could accommodate the boats and provide necessary security the day before and after. They visited at least 4 restaurants to see who could provide good service, a fair price and of course, adequate dockage. They also prepared detailed maps of the route and phone

numbers of the captains of the participating boats. No one knew that Gerda was following the flotilla on land, by car in case there was an emergency. **Ken and Gerda Bourgeois**, thank you for your efforts.

Thursday evening we all enjoyed a grand evening at The Wisconsin Club, which was the home of Billy Mitchell's grandfather. Following dinner, an informative and humorous presentation was given by local historian, **John Eastberg** about the famous beer barons of Milwaukee. A special thank you to **Karen Ellenbecker** for letting ACBS access her membership to use the Wisconsin Club. Thank you **Karen**. After the presentation, everyone returned to the Astor Hotel and a short walk to the lakefront to watch the Summerfest fireworks. On Friday morning, everyone was transported to Pier One/Discovery World for a cruise on the S/V Denis Sullivan. Before the cruise, **Jeff Phillips** of Pier One/Discovery World presented the history of S/V Denis Sullivan. Because of the limited capacity of the S/V Denis Sullivan, **Ted and Cindy Cartner** took passengers on their 1951 27ft Chris Craft sedan. We would also like to extend a thank you to **Lee and Maggie Palmer** for their loan of their 1946 30ft Wilbur Ketcham Picnic Launch to help handle the extra ACBS members. Also a special thank you to **Mark and Mary Willis** for being willing to captain the launch. They also graciously provided rolls, coffee and juices for those on board. Thank you **Mark and Mary**. Following the cruise, everyone had lunch on the pier and went to the theater for a special presentation by two speakers on Shipwrecks of the Great Lakes. The speakers were **Steve Daniel** and **Kimm Stabelfeldt**. **Steve Daniel** is president of the Great Lakes Shipwreck Preservation Society. **Kimm Stabelfeldt** is a founder of The Great Lakes Shipwreck Research Foundation. After the program, attendees did some exploring of the facilities. Everyone was transported back to the Astor for dinner on their own.

Saturday morning found many of us at The Milwaukee Yacht Club for our meetings. The Chapter Roundtable session started at 8AM with a discussion of chapter publications. There were plenty of samples and ideas that went around the room. At 10:30AM **Jim Wangard** of **Classic Boating Magazine** gave a well thought out presentation on how to take better pictures. He had large color pictures that showed the do's and don't

of picture taking. He should put his presentation in booklet form. A special thank you to **Ray Llanas** of **Art's Cameras Plus** for providing "How to take better digital pictures" books from **NIKON**. The Board of Directors meeting followed the Chapter Roundtable session.

After the meeting, everyone was transported out to Pewaukee Lake for the **BIG** cookout. First a special thank you to **Karl Johns** and **Sue Schroeder**. They were in charge of finding a caterer and buying the liquid refreshments. **Karl** was also in charge to get the chapter tent and set it up. **John Baumann** was able to borrow tables and chairs from his church and helped with tent setup and takedown. A special thank you to **Janet Stoelk** for bringing wonderful appetizers for the cocktail hour. A special thank you to **Matt Anderson** of **Matty's Catering**. They did an outstanding job of providing great food. **Of course a special thank you to all our ACBS family for traveling from all corners of North America and in between.**
