Hope everyone is surviving our typical Wisconsin winter weather. I'm pretty sure we are all ready for Spring and a new year of boating fun. 2018 was a great year with the many opportunities for boating, showing, and just great boater friendship. We look forward to the many shows coming our way in 2019. For details and registration information, please look to this edition, and future editions, of *"at the Waterline"*.

The Milwaukee Boat Show was a great opportunity for our chapter to gain more exposure to the boating and generally interested public. We had the transom podium and our new pop up tent on display giving our chapter additional presence at the show. Thanks to John Baumann and Charlie Shong for organizing our participation at the show. Thank you to all the members who braved the weather to bring boats and volunteer their time at the show. I believe we gained several new members who signed up at the show.

This year our Spring Banquet will be held at *Mueller's Linden Inn on Big Cedar Lake*. We are having, what I hope to be, a very delicious buffet dinner. Details are in this issue of the newsletter. Last year we had a very successful turnout at the *Fin and Feather* in Winneconne. We are hoping to continue to rotate our Spring and Fall Banquets around Wisconsin to be more accessible to all our Chapter members. Please consider making the effort to attend all our meetings and Banquets to meet members and make new friends. As always, we are open to anyone willing to help organize meetings and Banquets. We have many members, both on and off the Board of Directors, throughout Wisconsin and it is most helpful to hear about opportunities for meetings and Banquets from you.

Besides the Great Boat Gatherings in Wisconsin, The *Sunnyland Show on Lake Dora in Florida* is quickly approaching. Rich and I are planning on the show, ACBS meetings and the St. John's River Cruise again this year. Hope we can get more Glacier Lakes members there to make our presence better known. In September, we also plan on being at the International ACBS show in Alexandria Bay. I know several members are already planning to be there, as well. Let's show them some Wisconsin Boaters. And if you are planning on attending an event and wish to share that with other members, let me know so I can send out intentions on the Portal.

In my closing thoughts, please think about becoming a part of Glacier Lakes Governance. I will be leaving the office of Commodore this coming Fall. We will need people to fill in where members are retiring or rotating out of their current positions. You are the Chapters Voice in our future.

Hope to see you all at the Spring Banquet and the many gatherings and shows throughout Wisconsin and the United States.

GLACIER LAKES CHAPTER, of the Antique & Classic Boat Society, Inc.

OUR MISSION:

To promote the preservation and enjoyment of antique, classic and special interest watercraft of all types, both powered and non powered by:

- To bring people together with a common interest in historic, antique and classic boats, sharing fellowship, information and experience.
- To protect the heritage of boating by promoting preservation and secondly, the restoration of historic antique and classic boats.
- To promote, further and encourage a love and enjoyment of all aspects of historic, antique and classic boating.
- To serve as a communication channel for membership, the public, and other entities regarding information relating to historic, antique and classic boating.
- To serve as a clearing house and referral service for all information relating to historic antique and classic boating.
- To serve as the governing body and parent organization for such chapters as shall be formed and created under our auspices; including providing support for and communicating with these chapters.
- To inspire and support quality boat shows and related events among our chapters.
- To establish and maintain standards for classifying boats and conducting boat shows.
- To educate our membership and the general public concerning safety and protocol as it relates to historic, antique and classic boating.

Pewaukee, WI 53072**

Chapter members are welcome to hear about The Harken Story and see what HARKEN makes for the boating community, world wide. The real fuel behind a company's success is its people. Peter and Olaf Harken recognized this basic business principle more than 50 years ago when starting Harken/Vanguard in the Lake Country of Southeastern Wisconsin. Since those early days, Harken has grown from a backyard dream of two brothers to a global reality with group offices around the world and distribution in 48 countries. Harken gear dominates events like the **America's Cup**, the **Volvo Ocean Race**, and the **Olympics**. Blocks, travelers, winches, and hydraulics are aboard everything from the smallest dinghies to the largest megayachts.

The Harken story has been full of twists, turns, successes, and reinventions, but through it all the goal of challenging the status quo and commitment to excellence has always remained the same.

PETER HARKEN WILL GIVE YOU THE TOUR

Please RSVP to:

Bob Stoltz at 414-881-4383 or bstoltz4@gmail.com

HOSTED BY

NEW MEMBER PROFILE

By Jeff and Renee Davey. New Members of the Glacier Lakes Chapter since April 2018

Our Higgins obsession started about 37 years ago while on vacation in northern Wisconsin. We stopped at a local marina and purchased a 1947 19' Higgins Deluxe Runabout. After sitting in storage for over 30 years, we finally decided to restore her. She is now named "Covergirl" because my wife owns a marine custom cover and upholstery shop. It took me about 2 years to restore "Covergirl". While doing this restoration, I saw a picture of a 23' Higgins now named "Foxy Lady". It was one of the nicest boats I have ever seen and it was winning numerous awards. I had to have one! I called Jeff Oppenheimer, the Vice-President of the Higgins Classic Boat Club to see if he knew of any that were available. I then made some phone calls and found myself picking up my 1949 23' Higgins just weeks later. We put this boat on the back burner so we could finish the boating season with "Covergirl". We took her on the 2017 Racine International Show pre-event Milwaukee River Cruise. It was a blast!

Now I had the bug to show a boat at the next International show. It would be the "Boat the Blue" 2018 at Port Huron, Michigan. We then joined the ACBS and the Glacier Lakes Chapter.

CONTINUED ON PAGE 8

Before Restoration

Jeff Davey is far left. Picture taken in mid 60's on Lake Poygan in Wisconsin.

**NEW MEMBER PROFILE-
Jeff and Renee Davey FROM PAGE 7**

When we purchased the 23', she had no windshield at all. The windshield had been lost or damaged sometime about 30 to 40 years ago. The boat was sold new in 1949 at Touristville Boat Shop in Iowa. This boat has had at least 3 owners before us. One of the first owners actually re-decked the entire boat and made it an enclosed double cockpit forward. The last owner before us turned it back into a 3-seat runabout with a motor box but still no windshield. We decided to have Norton Boat Works in Green Lake Wisconsin make an all mahogany custom windshield similar to one we had seen on a Custom Coronado a few years back. We wanted to keep the styling of the Higgins, and hopefully give it that stunning look and cool appearance! I think we accomplished both!

Now it was time to look at the hull. While pulling up the floor, we found cracked and rotten frames along with a keel that was separated and rotted as well! This was a little more than we anticipated. All new frames were made from white oak along with a new white oak keel and engine stringers. All the new parts were coated with 2 coats of West Epoxy before assembly. A new bottom was scarf jointed then epoxied and finally screwed and epoxied to the frames. A new gas tank and lines were made and installed. Dual exhaust was added with new teak and holly flooring. I had a 1997 350 magnum 5.7 MPI 300 HP rebuilt and hooked it up with a C71 Velvet Drive with all the accessories to make it work. (I wanted the ease and reliability of a newer motor). We moved the 350 Magnum 10" forward from where the original Chrysler Royal straight 8 sat to make better planing ability and more rear cockpit room. This worked perfect! I also cut 10" off the engine box in the process. We designed an all new interior with colors to match the boat. People seem to love the red and white color combination!

The top deck was painted gloss red and many

CONTINUED ON PAGE 9

"COVERGIRL 1947 19' Deluxe Runabout"

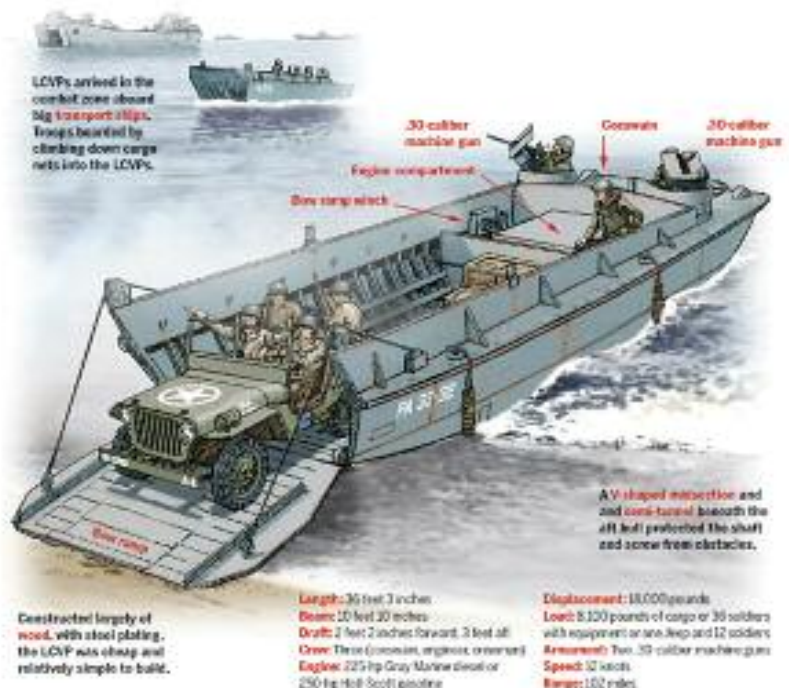

NEW MEMBER PROFILE- Jeff and Renee Davey from page 8

coats of varnish added to the mahogany windshield and front bow pieces. They look great together! We kept the original foot pedal for the throttle and the shifter on the column for a nostalgic look, but they are non-functional. The name "Jeffery Dave" comes from a 1965 Dunphy my parents purchased new and named it "Jeffery Dave" after their only son. With that in mind, it only seemed right to use this name again and my parents approved!

We finished the boat about a week before the 2018 "Boat the Blue" International Show. When I signed up for all the pre-events and the show itself, the boat was still upside down with only a few frames being done. We did most of the work ourselves, so it was 7 days a week for quite a while! We really hoped we would have enough time to finish!

We participated in all the pre-events at "Boat the Blue" and had tons of fun meeting great people from all over the U.S. The "Jeffery Dave" received the 2018 Best Higgins Award, 2nd in the Hagerty Youth Judging and the ACBS Silver Award in the classic utility restored division. We are already planning for the 2020 show in Bay Harbor MI.

Now that we have had the chance to use this 23' Higgins on big water, we find her to be roomy and dry with plenty of power! This is a fun boat to be in! This restoration was overwhelming at times but the awards and compliments have been well worth the effort! We are happy to have saved one more rare Higgins boat and look forward to enjoying her for many years to come!

Higgins Industries, known for producing and designing the largest number of PT boats and Landing Craft during WWII, employing over 30,000 people with seven plants in New Orleans, was one of the largest contributors for this country's overall success during WWII and other military conflicts. While producing military items, Higgins Industries also produced beautiful pleasure craft, furniture, camping trailers, helicopters, airplanes, and many other items that we use today. Through the members of our organization, the spirit of Andrew Jackson Higgins and Higgins Industries continues to live on, sharing this great American legacy by restoring and displaying our Higgins boats at shows across the country.

Information from Higgins Classic Boats Association

STATE FAIR PARK BOAT SHOW January 18-20 and 23-27, 2019

Dan, Laura, Eli, Bennett, and Adley Holdmann

Mary Willis, Bob Stoltz, Judy Kearns, John Baumann, Mark Willis, and Eddie Rennpferd

A SPECIAL THANK YOU to **John Baumann** for making show reservation arrangements with **Henri Boucher** of **SHOWSPAN**, and making calls to get boats and more calls and emails to get volunteers. A special Thank You to **Henri Boucher** for **Showspan's** support of the chapter as a year long sponsor. **John Baumann** has been coordinating this effort since 2008. A special thank you to **Charlie Shong** for assisting **John** with many of the show details. A special thank you to **Eddie Rennpferd**, for the third year running. **Eddie** was at the show almost everyday it was open. A special thank you to **Rich Lepping** for allowing his 1959 Chris Craft Silver Arrow and 1956 Larson Falls Flyer to be at the show.

John Baumann and **Gary Recheygl** brought the boats from Madison and took them back ahead of the snow storm Sunday night.

Thank you to one of our newest members, **Jeff Davey** for making two trips from Berlin, WI to help man the chapter booth. Thank you to **Jeff Spence** and his son **Pete** for bringing a **Mod-U-Dock** pier system used as a riser. Thanks to **Scott Bruesewitz** for procuring the electric hand truck whereby he could easily move the boats. A special thank you to **Craig Duchow of CenterPointe** for letting Scott use the electric truck.

Our newest member, joining January 25th, **Jeremy Gabriel** stopped by the booth. Also, long time members, **Scott and Bev Verhage** of Kewaskum stopped by the chapter display.

PHOTO SHOOT OPPORTUNITY AT SHOW

Young visitors to Disney World have plenty of opportunities to take pictures with their favorite characters. Why not January, State Fair Park? Depending upon visitor traffic, we invited parents with young kids to take pictures by the boats and in some instances, inside the boats. Kids eyes just lit up. It was a lot of fun. A couple of examples are shown.

Madison Area Antique & Classic Boat Cruise

August 2nd and August 3rd, 2019

The Madison boat show is again a cruising event for 2019

This past year, boat owners enjoyed cruising in their boats rather than sitting at the dock

For 2019, we are keeping the Friday tour, with lunch and dinner provided during the fun day of cruising. Again, Saturday will involve an optional boat parade around Lake Waubesa and Monona without an actual static boat show.

There will be an informal cruise on Saturday mid-morning with a gathering of those interested to enjoy the lakes. The loose agenda includes a boat parade with possible stops to swim, tie-up, and just use our boats on the Madison lakes.

There is no registration or agenda other than boating with friends and family.

For more information regarding the activities, please go to the events tab on the www.GLACBS.org website.

SCHEDULE

Friday, August 2nd

8:00–9:30 am- Launch: Goodland Park Launch– 2849 Waubesa Ave., Madison, WI 53711

- Help at landing to launch boats and secure trailers

DOOR COUNTY Classic & Wooden Boat Festival

***Join us in beautiful Sturgeon Bay, Wisconsin.
August 9-11, 2019 for our 29th Festival!***

It's fun for the whole family. The weekend features beautiful boats to admire, some professionally built and maintained, others the work of talented amateurs. They range from canoes and kayaks to sailboats to fiberglass classics to glorious mahogany runabouts. Saturday's adjacent **Maritime on Madison Street** Festival showcases local merchants and features great food, shopping specials, children's activities, and music. One highlight you don't want to miss is the wild Sikaflex Challenge boatbuilding contest. Beginning Saturday, teams of amateurs rush to build plywood boats, decorate them, and then on Sunday finally race them on the water! Some will actually float and finish, others may not. Come cheer them on. Boats, music, boat rides, great food and the museum itself- don't miss this weekend.

Best of all, public admission to the festival is free!

Festival visitors can roam the docks, take in the displays, eat great food, talk with the skippers, and then cast a ballot to choose a People's Choice Boat of the Year. Registered skippers will vote to choose Boats of the Year in a number of categories; Classic Inboard, Classic Outboard, Sailboat, Classic Fiberglass, Non-powered, Model Boat, Unique Craft, and overall Skipper's Best of Show. For a small admission fee, anyone can tour the museum itself and the museum's signature vessel, the century-old sea-going tug, the *John Purves*.

Friday is filled with special pre-festival activities for registered boaters. Our annual 10-mile "Bay-to-Lake Lighthouse Cruise" will take our fleet of classic boats past one of the largest shipyards on the Great Lakes to

the Sherwood Point Lighthouse on Green Bay. We'll snap pictures and then return to downtown Sturgeon Bay to tie up for lunch. Following lunch we'll cruise to glorious Lake Michigan through the Sturgeon Bay Ship Canal and take a look at the Coast Guard Station and its Lighthouses before reversing course and returning to the museum. The cruise is a fun way to get those classics out on the water for some fun before the festival opens. That evening, skippers and crew will enjoy a complimentary cocktail reception in the museum. It's a great way to jump-start a weekend of terrific classic boating.

Watch for further information on our 2019 festival website at www.doorcountyclassicboatfestival.com. For lodging needs, visit www.doorcounty.com for an extensive listing of hotels and resorts.

Participants (please print clearly)

Skipper's Name _____		Crew's Name _____

We will _____ will not _____ participate in Friday's cruise.
(If you are, please register by August 1st)

\$20 Registration Fee includes:

- Access to the Door County Maritime Museum and the *John Purves*
- Display space and/or dock space (assigned by registration date)
- Participation in the "Bay to Lake Lighthouse Cruise"
- Friday evening cocktail reception for skipper and a guest
- Overnight security on Friday and Saturday nights

Registration

- Complete the registration form. If possible, send a photo of your boat and information about her special features, history, acquisition and restoration or build to Bill Freyman. Feel free to send the information to him through the show's email at dcclassicboatfestival@gmail.com.
- Mail the form, and a check payable to DCMM to Bill Freyman at 7031 Division Road, Egg Harbor, WI 54209. He can be reached at (920) 868-1749 or through dcclassicboatfestival@gmail.com. You can also reach Carrie Dorski, Community Engagement Manager, at the museum at (920) 743-5958 or cdorski@dcmm.org. Fees are non-refundable.
- Dock space is limited so register early. Come prepared with fenders and extra line.
- Skippers and boats must be present on both Saturday and Sunday in order to receive either People's Choice or Skippers' awards.

Registration Release

By registering for the festival, the registrant verifies that the registrant has read and understands all the foregoing important risks and warnings. Registration voluntarily assumes the risk of damage to persons or property arising from participation in the boat show after disclosure of risks and warnings. The registrant further waives, releases and discharges the Door County Maritime Museum, all program directors and volunteers from any and all claims for damages to persons or property arising from participation in the boat festival. Finally, the registrant warrants and represents to the show sponsor that the registrant's boat is covered under a policy of casualty and liability insurance.

Bergersen Boat Company of Lake Geneva

Acquired the rights of The Shepherd name, a Canadian boat builder

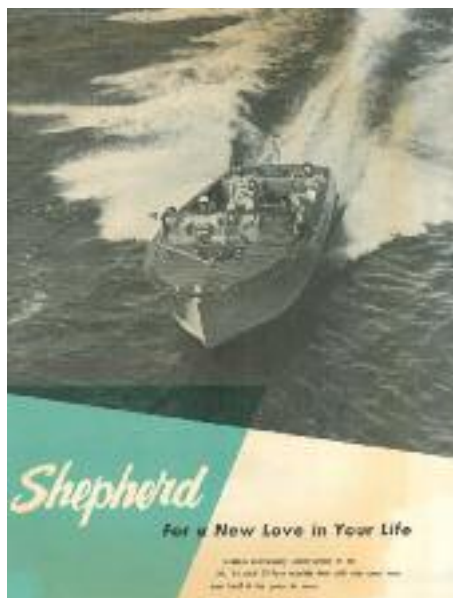

Story by Kurt Rothe, Sheerline Editor Emeritus

Lloyd Henry Shepherd and his son Howard Henry Shepherd founded the Shepherd Boat Works in 1928 in St. Catherine's, Ontario. In 1939 they opened the plant at Niagara-on-the-Lake, Ontario with few boats ever crossing the border. Shepherd boats were designed and constructed to meet the highest quality standards. As one of the first pioneers of the "V" drive, Shepherd discovered that by implementing the new "V" drive in its runabout and mounting the engine further back, it created more room in the cockpit.

From their humble beginning Shepherd boat appointed a single U.S. dealer, JAFCO Marine Basin, Inc. Out of Buffalo, N.Y. to begin the distribution of their fine mahogany boats. Shepherd boats were on display at the 1950 New York National Boat Show and stole the show with rave reviews. Their popularity quickly grew in the Midwest with multiple dealers in some states. This was quite a feat for a small, custom boat builder. The 50's were a booming era for the production of Shepherds. The firm was bought out by the Trojan Boat Co. of Pennsylvania in 1958. By 1960 aluminum and fiberglass boats were "all the rage" and had completely invaded the wood speedboat market. Most inboard builders made the switch from wood to follow the trend, however Shepherd did not follow suit. The market for wood boats had all but dried up. They phased out construction of all Shepherd runabouts by the early 60's. Trojan eventually retooled the old Shepherd plant to accommodate production of their larger motor yachts. In the restructuring process, the historical information and materials were most likely discarded as little information can be found today.

Lars and Olivia Bergersen
