**GLACIER LAKES CHAPTER OF THE ACBS  
 OUR MISSION:**

*To promote the preservation and enjoyment of antique, classic and special interest watercraft of all types, both powered and non powered by:*

- To bring people together with a common interest in historic, antique and classic boats, sharing fellowship, information and experience.
- To protect the heritage of boating by promoting preservation and secondly, the restoration of historic antique and classic boats.
- To promote, further and encourage a love and enjoyment of all aspects of historic, antique and classic boating.
- To serve as a communication channel for membership, the public, and other entities regarding information relating to historic, antique and classic boating.
- To serve as a clearing house and referral service for all information relating to historic antique and classic boating.
- To serve as the governing body and parent organization for such chapters as shall be formed and created under our auspices; including providing support for and communicating with these chapters.
- To inspire and support quality boat shows and related events among our chapters.
- To establish and maintain standards for classifying boats and conducting boat shows.
- To educate our membership and the general public concerning safety and protocol as it relates to historic, antique and classic boating.

Hello All,

At the time you will be reading this, I hope everyone had a nice Memorial Day Weekend and let us not forget the true meaning of this holiday. I am in hopes that the majority were able to utilize your “woodies” or “classics” at some point during the weekend.

As our season gets underway there are a few things to report, some noted in this issue of At The Waterline. The Events Committee has met a couple of times to try and put forth a variety of offerings aimed at utilization of our boats rather than just staying with a show atmosphere. I would note Brian Irwin’s Cool River Classic Event, Milwaukee River Cruise, and a Pewaukee Lake Gathering in place of our normal Pewaukee Show. Please do your best to support these events so we can continue bringing you more like them along with the upcoming events already in the books. We are also working on bringing back the Fall Banquet and are in talks with the Manitowoc Museum to try and follow the same agenda that Covid forced us to cancel.

We are still in talks with the Village of Pewaukee to purchase our pier. As with most dealings with municipalities these things take time but we are still optimistic.

Stay safe and “float em”.

**Commodore Bob**

Dear MACBS Participants:

Welcome to the 2021 Minocqua Antique & Classic Boat Show (MACBS) and to the famed Minocqua Chain of Lakes. My name is Marc Toigo and, with the help of my wife Lynn, many sponsors, and volunteers, I am the Event Director of the 2021 MACBS. After a tumultuous 2020, I'm sure everyone is ready for our boat show to be great fun and well attended.

This year we are going to hold the show over two (2) days, Friday and Saturday, June 25 & 26th 2021. This is going to be a busy weekend in the area so be sure to reserve hotel space immediately. In 2021, there is only one weekend between Fathers Day and July 4th and we are having the 2021 MACBS on that Friday and Saturday. We have decided to run the boat show later Saturday evening, until 8PM, and not to have the show on Sunday. Boats can be left at the docks on Friday and Saturday evening but should be removed when possible Sunday to allow The Boathouse patrons to use the dock space on the very busy Sunday.

Lynn and I live on Lake Minocqua, have a 1955 Chris Craft Continental, do a great deal of woodworking and love working on vintage wooden boats. Great news is this winter is that The Boathouse has work planned to fix and rebuild parts of the pier. A big thank you to Bill Fricke, the staff and ownership of The

Boathouse. They are huge sponsors of the event and contribute much of the beverages we sell that ends up supporting our charities.

Our participants and guests share a passion for vintage boats of all types and manufacturers. I am sure you will agree that the reward comes through the smiling faces of our guests as they enjoy each of the boats displayed. We have room for about 40 boats in the water but will expand our on-land exhibits with boats in The Boathouse parking lot and additional displays across the street in the Redman Realty parking lot. On-land participants can take time to put their boats in the water anytime throughout the show.

We appreciate all our sponsors and volunteers. Without their help this would not be possible. Proceeds from 2019 went to Multiple Sclerosis (MS), and the Minocqua-Kawagwasaga Lakes Protection Association. Proceeds this year will also be going to benefit several local organizations to be decided upon with help from organizers and sponsors. The Pointe Hotel & Suites is our preferred lodging for this event. In addition to registrations, clothing, and food and beverage sales, we will also have raffles. See you in June 2021. Contact me with any questions and/or comments.

*Marc and Lynn Toigo, Event Directors*

# Antique & Classic Boat & Motor Swap Meet and Show

**Saturday May 8, 2021**  
**Thank You to Steve Bunda**  
**for providing Great Pictures**  
**and story about the Swap Meet**

The Antique and Classic Boat and Motor Show put on by The Midwest Chapter of the Antique Outboard Motor Club was a refreshing event May 8th held at the Okauchee Lions park .

After over a year of lockdowns, masks, and at times draconian and unconstitutional rules the AMOC Club lead the way with a spectacular event with inside displays of perfectly restored outboards and a wood run-about. Outdoor swap meet was well attended with complete engines , parts and marine items for purchase. Many outboard and motor boat enthusiasts brought their prized positions for an extraordinary display of boats. There was even a perfectly restored 1955 chevy wagon.

A big Thanks goes out to the organizers of the event to start off a great year of wood boat shows.

# Chapter Gathering & Demonstrations at “All Hands Boat Works” April 17, 2021

The new home of All Hands Boatworks located at 621 S 12th St, Milwaukee, WI is pretty incredible.

Fourteen of us met at the new home of All Hands Boatworks, Inc. located at 621 S 12th St, Milwaukee, WI. What was nice was that we would have three different presentations all related to water. The new teaching facility/workshop is 8,600 sq ft

### Those present were:

**BOATMKE** Ryan Fischer, Chris Haus, and Taylor Jennings

**All Hands Boatworks:** Bill Nimke, Executive Director and Founder, Mark Kuehn, Board President, Will Francis, Apprentice PREP Job Skills Director, and Tom Frank, Assistant Shop Manager.

**Glacier Lakes Members:** Howard Schneider, Eddie Rennpferd, Ed Eisenmenger, Scott Bruesewitz, Amy Simonsen, Wil Vidal and Andreas Jordahl Rhude, President & Founder Thompson Antique & Classic Boat Rally, Inc. and Glacier Lakes member.

**BOATMKE** Ryan Fischer, Chris Haus, and Taylor Jennings  
1959 *Lake N' Sea* 14ft runabout brought by BOATMKE crew

**CONTINUED ON PAGE 9**

**at the Waterline PAGE 8**

**BOATMKE** Everyone gathered outside to hear from Ryan, Chris and Taylor. about the new boat rental business. They take 60's-70's fiberglass boats, fix them up and rent them on The Milwaukee River chain. Retro Boat MKE, featuring two stylish classic boats, started renting in 2019. One was named Laverne and the other named Shirley. In a story, Milwaukee-area entrepreneur Redmond Tuttle said he would lease the two watercraft from Retro Boat Rentals in Saugatuck, Michigan. The local company now finds midcentury boats, restores them and outfits them with a motor.

Many people rented the boats in 2020 inspite of COVID. Renters being outdoors felt safer and generated business. They were originally using electric motors but were having problems keeping them charged. They are converting to low HP gas engines. A working arrangement has been worked out with AHB to restore these boats at their facility. Along with the stylish classic boats, donut boats were added to the rental mix.

**All Hands Boatworks**

Everyone then went inside to see what is happening at AHB.

## CONTINUED FROM PAGE 9

The new facility has 8,600 sq ft (AHB) founded in May 2013, is a Milwaukee-based 501(c)(3) non-profit organization that exists to build the capacities, confidence, resilience, and futures of Milwaukee's youth through wooden boat building, work experiences, and on-the-water recreational activities. AHB teaches the craft of wooden boat building to support positive youth development, educational success, and workforce preparation, while youth also learn about Milwaukee's freshwater assets – our rivers and Great Lakes. Since its founding, AHB has led more than 2,500 Milwaukee-area youths in more than 100 boatbuilding projects. At All Hands Boatworks, it is about building more than a boat!

All Hands Boatworks instructs and mentors hundreds of youths (ages 10-17) annually through introductory boatbuilding residency programs, Carpentry Clubs, and on-water activities.

Bill said that a number of veterans are building boats to help them deal with stress from serving and to meet and build relationships with their fellow servicemen.

## OLD IRONSIDES- BONUS TREAT

Andreas Jordahl Rhude, President & Founder Thompson Antique & Classic Boat Rally, Inc. and Glacier Lakes member made a trip from Pestigo, WI. He agreed to talk about “Old Ironsides”.

Andreas Jordahl Rhude, fifth of the six sons, started working at “Unit Structures “at age of 10 along with his older brothers. Andreas has worked every facet of production; driven truck; fixed roofs at the factory; done estimating and sales work; been a draftsman and prepared shop drawings; written press releases; published articles about the products and the history; and managed the entire operation.

Andreas said one of the most interesting and satisfying work done at the plant are glued laminated timbers for use in restoration of the historic sailing vessel **USS Constitution “Old Ironsides”** Since 1963 great and compass timbers have been made at Peshtigo for continued maintenance of the ship. From knees to hull and deck planking to masts, the Peshtigo plant has supplied all types of pieces for the ship. If you go to Boston Harbor, climb aboard “Old Ironsides”..... look for Andreas’ hidden marking.

LIFE IS SHORT

GO BOATING

Jim Staib

"I was told by the seller that it was 'good to go.' Well, the bilge pump ran every hour all summer. In addition to having a leaky bottom, the engine sounded like a rock grinder."
